STOPSLEY Primary School's new £1.3million expansion was officially opened on Friday by Mayor Mohammed Farooq.

The project was opened in front of parents, the builders who made it happen and distinguished guests, including 90-year-old Dennis Hawkins, the school's oldest surviving pupil.

In opening the building the Mayor said: "This school has existed for a very long time, and many of the parents who are here today attended this school when they were children."

"Pupils and teachers now have a school building that they can enjoy and be proud of and I'm sure the school will continue to be right at the heart of the community for many years to come."

The ceremony featured the whole school singing the Commonwealth song 'Sing' and year six pupils showing people around the new building.

On the opening ceremony, the school's headteacher, Mrs Kim Hall, said: "The opening

Guests, including the Mayor and former pupil Dennis Hawkins, 90

ceremony went, really well.

"We had more parents turn up than we expected and also had prominent local figures attend such as the Mayor who performed the official opening."

The expansion has seen the school's three buildings combine, giving Stopsley Primary a new centre.

Mrs Hall added: "It's definitely been the biggest expansion in the school's history."

"We have linked three of our buildings together, joining the

Edwardian school building, the Victorian dining hall and another building built around the Second World War.

"It has given the children one complete school with a heart to it, along with a main entrance. It is somewhere where they can be proud to learn."

It has also given the school the possibility to grow, and with four new classrooms added to the premises this is exactly what they plan to do.

Mrs Hall added: "With the addition of the new classrooms as a result of the expansion, we are going to go from two to three forms, meaning we will expand from our current number of pupils of 428 up to around 620."

However, despite the school's dramatic change, care was taken to make sure the original feel of the school was not changed.

Mrs Hall added: "It is important to note that while the school has expanded, it was important to maintain the village feel of the school, with the old buildings, which we feel the expansion has done as well."

FIRST SIGHT: Young cub, Indigo, briefly pokes her head out of the nest earlier this week

Shy Red Panda has a peep at the world three months after being born at the zoo

A NEW Red Panda cub has had her first sight of the outside world at Whipsnade Zoo.

The new baby, Indigo, has recently started to emerge from her box nest, where young Red Pandas spend the first few months of their life.

Indigo was born on June 15, to Whipsnade's other two resident pandas, her mum, Tashi and her dad, Blue.

A spokeswoman for Whipsnade Zoo

said: "She's a shy little girl. It's normal for them to hide away for the first couple of months of their lives but Indigo's been hiding for a bit longer."

"Her parents keep trying to coax her out and occasionally the public catch a glimpse of her, but she pops her head out and soon hides away again."

The species is graded as Vulnerable by the International Union for the Conservation of Nature, with only around 10,000 left in the world.

New £250k bandstand planned for next summer

BY STEFAN BARTLETT
 editor@lutononsunday.co.uk

AN OFFICIAL launch has been held for a project to build a new bandstand in Wardown Park.

The four Rotary clubs of Luton, along with the Rotary Youth Trust for Luton, have joined together to design and build a modern bandstand to be known as the Rotary Bandstand.

It is hoped that the bandstand will be complete by summer 2015. The project is expected to cost around £250,000 and £150,000 in funding has already been secured.

More than 100 guests attended the corporate launch event at Luton Hoo Hotel, Golf and Spa. Its aim was to encourage local businesses and people from the community to show their support and help to spread the word for everyone to 'Join In'!

To showcase the talent that Luton has to offer, guests were treated to spine-tingling and toe-tapping performances from the Luton Youth Cantores, Luton Youth Jazz Orchestra and, the newly reformed, Luton Band.

The four interns from the University of Bedfordshire, who have been working on design concepts over the summer, showed varied design ideas.

The Rotary Bandstand's Patron,

LAUNCH: A special event took place at Luton Hoo Hotel for the project

Lord Bill McKenzie, said: "I am both honoured and privileged to be patron of such a worthwhile project. Luton has a wealth of talent and having a bandstand to showcase it will be wonderful. The charity will look to help local people for generations to come."

Attendees at the event included Nazir Jessa - Deputy Lord Lieutenant, Colin Osborne - High Sheriff of Bedfordshire, Mohammed Farooq - Mayor of Luton, Cheryl Smart MBE and Dennis Keech OBE.

Alan Corkhill, Chair of the Rotary Bandstand Steering Group, said: "It is wonderful to

see so many people here, supporting this venture. We have all come together to share in a glorious vision for Luton. This is such a large project with so much work still to do but, with so much goodwill and our confidence in the people, businesses and all of us working together for Luton, the Rotary Bandstand is now a huge step closer to a reality."

A justgiving page is being set up for anyone to donate to the project: www.justgiving.com/rotarybandstandforluton

Govia promises a smooth transition on trains

FIRST Capital Connect (FCC) have handed over their Thameslink rail service to Govia.

The final FCC service from Luton on the Bedford to Brighton line was due to finish at 2am today. Govia will take over the route today and expect minimal disruption.

A spokeswoman said: "We expect the changeover to go smoothly and passengers should see no immediate change to their services. FCC staff are transferring to GTR and we have every confidence in our employees

running the service as normal.

"In the future we will be making improvements to passengers' services including brand-new trains, 3,000 more seats to St Pancras in the morning peak, 16 trains an hour through the Thameslink core, investing £50 million in upgrades to stations, more flexible ticket options, and our ticketing smartcard 'the key'."

"For up to the minute information on our services and our planned improvements, passengers should download our new app Thameslink On Track, follow

us on Twitter @TLRailuk, check out our website thameslinkrailway.com or contact our customer services."

FCC Managing Director David Statham said: "We are committed to helping our passengers through this change."

"This is why our website will still be open until at least October 19 for queries about travel made before the transition to the new franchise, including any questions and also information about delay-repay travel compensation and other refunds."

Rare Vauxhall built in Luton fetches £242k!

BY NICK SMITH

nick.smith@lutononsunday.co.uk

A RARE Luton-built Vauxhall E Type 30-98 fetched £242,300 when it was auctioned by Bonhams.

The car, which was built in 1920, was originally expected to fetch £150,000-£180,000 by the auctioneers, but its estimate was far exceeded when it was sold.

The car left the shop in Luton on July 14, 1920 and only around 30 examples of the model are believed to be in existence.

Featuring a 4.5-litre engine, this sports tourer was a favourite among speed hill climbers and endurance triallers.

A Bonhams spokesman said: "Although the complete history of this car is not known, it was first registered in Westmorland (now Cumbria) and it is believed in its early days it was owned by the Lings family of Bollington in Cheshire.

"At a later date, believed to be around 1930, the car passed into the ownership of a Mr Jeffreys, remaining in regular use.

"The car later served King and Country in World War II, after being requisitioned for service with the Home Guard."

UNDER THE HAMMER: The Luton-built Vauxhall which sold for more than £240,000

In 1952, the car was bought for £115 by Ian Ferguson Esq., who soon passed the car into the possession of his brother, Murray, in whose hands it remained until the sale.

The car last underwent significant changes in around 1980, when its age meant it required a full restoration.

It was originally planned just to be a full mechanical restoration, but minor cosmetic changes were also made.

A Bonhams spokesperson said: "This work was entrusted to Vauxhall

30-98 specialist Arthur Archer of Dunmow and at the same time cosmetic condition was addressed.

"It was decided to paint the aluminium coachwork to protect the original metal from the ravages of the Norfolk coastal climate, the car being re-finished in traditional Vauxhall maroon and black livery and reupholstered in black leather.

"Since then the car has had only occasional outings and has scarcely travelled beyond the Norfolk county boundaries."

Creepy clown is spotted in Lewsey

A SCARY clown has been spotted wandering the streets of Lewsey Farm and the picture has been viewed by thousands of people online.

This comes almost a year after a similar sighting in Northampton, where Northampton University student Alex Powell dressed up as the character Pennywise from the film *It* and appeared in various places across the town, which gathered attention from

people across the world.

Powell's actions prompted copycats around the UK but this is the first one to appear in Luton.

The photo was first posted online at on the Spotted: Lewsey Farm Facebook page.

Airport evacuated over security alert

BY NICK SMITH

nick.smith@lutononsunday.co.uk

A SUSPICIOUS package which led to an evacuation at Luton Airport on Monday contained a number of 'power sources and several electronic cables', according to officials.

More than 1,500 passengers were evacuated from the airport after an unaccounted item was found in a passenger's hand luggage.

Flights were diverted from Luton to other airports around the country.

There was also chaos on the roads as routes to the airport from the M1 were closed.

The military Explosive Ordnance Detection Unit carried out a controlled explosion on the item later in the afternoon.

A Bedfordshire Police spokesman said: "The item destroyed, although deemed suspicious, did not present a wider danger."

A spokesman for Luton Airport said: "The item, which was rectangular in shape and displayed a large amount of organic mass, power sources and several electronic cables, was effectively neutralised and taken away by Bedfordshire Police

ALERT: The scene outside Luton Airport on Monday afternoon

for further examination.

"London Luton Airport would like to thank passengers for their patience and cooperation and remind the travelling public to remain vigilant and aware in this time of heightened security." Insp Dave Ford, of the Airport Policing Unit, said that despite the inconvenience, all passengers remained calm and understanding of the situation.

He went on to say: "The situation came about because of the combination of suspi-

cious items in the hand luggage, an inadequate explanation and the fact that the passenger who owned the bag also told officers he had left it unattended.

"I'm pleased to say security procedures worked as they should have done. Passengers were very cooperative and the large number of people in the airport at the time were evacuated smoothly.

"In fact, some approached officers to say they were grateful for the way it had been dealt with."

New bus fleet hits the road

A FLEET of six new Mercedes Benz Citaro buses will now take passengers between the car parks and the terminal building at Luton Airport.

The new fleet, supplied in a £1m deal, replaces vehicles on the old car park bus service.

The new Citaros boast an improved driver's cab and are also fitted with Greenroad

technology which allows for the monitoring of driving standards.

Kevin Midgley, Ground Transport Manager at the Airport said: "The contract for the buses is worth £1m over five years and demonstrates a considerable investment by London Luton Airport into upgrading its passenger experience."

MARATHON MAN: Dave with wife Stef and his shack

Marathon man is still going strong

LUTON man Dave Hall is still going strong in his task of running 40 marathons in as many days on a route from John O' Groats to Land's End. The 50-year-old accountant has been using ice to treat an ankle problem and in his latest blog on Facebook said busy traffic was a problem in Shropshire. He is undertaking the marathon challenge to raise £200,000 to build 40 homes in Sierra Leone. Every night he is sleeping in a Sierra Leone-style shack being taken along the route.

Luton tops league for supporter bans

BY NICK SMITH

nick.smith@lutononsunday.co.uk

NEWLY released figures put Luton Town at the top of the table in League Two for fans currently serving banning orders.

The Hatters currently have 27 fans who have been issued banning orders, according to official figures from the Home Office.

The number currently serving bans was accurate as of September 3, 2014.

Eleven of those Luton fans

currently banned from football stadiums were issued with the order over the last 12 months, handed out between September 21, 2013 and September 2, 2014.

In addition, 14 Luton Town fans were arrested over the course of last season, two at home games and 12 away.

Four fans were arrested for public disorder, with another four arrested for alcohol offences.

Three were arrested for missile throwing, two for violent disorder and one arrest

was made for a pitch incursion.

Local rivals Watford fare better than Luton, with four fans currently banned and only one of those being issued over the last 12 months.

Cambridge United, last season's Conference promotion rivals, currently have one fan banned who was handed the order in the last 12 months.

Milton Keynes Dons currently have one fan banned, with no new bans being issued over the last 12 months.

Pedestrian scheme will take 30 weeks

BY NICK SMITH

nick.smith@lutononsunday.co.uk

AN AREA outside Luton train station is to be pedestrianised as the final phase of the £24million Town Centre Transport Scheme.

The 30-week programme will see granite surfaces installed on Guildford Street and Bute Street and is due to start tomorrow, Monday September 15.

They will be pedestrianised, becoming 'shared open spaces,' with vehicle access limited to 6pm-10pm, but only for loading purposes.

Besides enhancing the busy pedestrian route, the aim is to help local retail businesses and to encourage growth.

Cllr Dave Taylor, Portfolio Holder for Environment, said: "This impressive scheme marks another exciting moment in the regeneration of Luton town centre.

"The finish will be the same quality granite as has greatly enhanced Town Hall Square and St George's Square, with the whole area made safer and more attractive for pedestrians, shoppers and other business users."

Laying the surface will see

REGENERATION: Pedestrianisation work is due to begin tomorrow

the permanent closure of Guildford Street, from the former Strathmore Hotel entrance to the junction of Bute Street, and from that junction up Bute Street to The Hat Factory.

It may also be necessary to close Bute Street outside the JobCentre, and if this is the case, bus-only Library Road will be made available to reduce disruption for businesses in the area requiring deliveries.

Access to businesses will be

maintained at all times, though sometimes through temporary surfaces.

Cllr Taylor added: "Businesses are being kept closely informed of the works programme and the council will be working hard to minimise disruption with an engineer on hand to help with any issues throughout."

Contractor Volker Highways, is responsible for similar projects outside the Town Hall and in St George's Square.

Rule change at swimming pool

SIR – I have been swimming in Luton for 50 years and due to my poor eyesight I have always worn my glasses in the pool.

When I went for my regular Monday visit just as I was entering the Inspire pool I was approached by the lifeguard and told I could not enter wearing my glasses. I was completely taken aback and embarrassed.

There was no mention of any change of rules when I paid my money and no notices to that effect.

I called for the manager and he came to the poolside and said this was now the rule. When asked why he said it was on the grounds of health and safety. He said I should get a pair of prescription goggles. Perhaps Active Luton will pay for these. He also said that it was a risk to them if my glasses broke and bits ended up in the pool and they would have to drain the pool. My glasses are in fact plastic lenses but this did not make any difference.

This decision has been taken on the flimsiest evidence of the likelihood of an accident.

I have never heard of any incident of this kind and the manager said there had not been any there either. So on what basis have they taken this decision and what statistics do they have to back it up.

If I wish to continue swimming I shall have to swim blindly. Your readers may not be aware of this policy.

Anne Schonewald
By email

You're right, it's wrong. . .

SIR – In response to 'Admit You Got it wrong. . .' (*Luton on Sunday*, September 7), Mr Rix is correct in broad terms.

However, he might like to know that not all councillors have been in favour of the Court Drive disaster.

He is right in implying that they do not listen to the citizens of Dunstable. They have just gone ahead and created something which has never realised its purpose and been rather costly for the Council Tax payer. I cannot remember a time during

the last two years when a lot of money has not been spent on making the road what it is today.

They monitored traffic speeds, only to find out that motorists, on average, were exceeding the speed limit by about 10 per cent; they installed some raised "preferred crossing points" and later on they included the brick-type of surfacing and planters to separate the bus lane. Even then motorists continued to use the bus lane and collide with each other on the other part of the road.

And now we have the zebra crossings, one of which is at an angle.

Why this nobody, except someone on the council knows.

With this type of hare-brained scheme, Central Beds Council is fast becoming a laughing stock.

As Mr Rix feels so strongly, he might like to consider standing as a councillor so he can try and help put things right.

I can be contacted by way of the council.
Councillor Julian Murray
Independent Group Leader

Active Luton replied: "Feedback from our customers is always helpful. Our current policy is for people to avoid wearing glasses in the pool for safety reasons and signage in Active Luton reception areas reflects this. But we are already reviewing our current approach, including consultation with our external Health and Safety advisor, and will take on board the customer's point about plastic lenses."

Support heart campaign

SIR – I'm writing to invite all children aged 11 and under to take part in the British Heart Foundation's (BHF) Bag It. Beat It. poster competition. We would like children to design their own heart superhero. The competition supports the BHF's latest campaign, which urges the public to donate

bags of unwanted items to a BHF shop. Every bag will fund life-saving research.

Entries can be submitted on A4 or A3 paper, or by email. Paper entries to: Bag It. Beat It. competition, FAO Samantha Bandak, British Heart Foundation, Greater London House, 180 Hampstead Road, London, NW1 7AW. Or emails to bagit@bhf.org.uk with the subject line: Bag It. Beat It. competition. Closing date is September 26.

One winner and one runner up will have their drawing made into a soft toy. The winner's drawing will be made into a poster displayed in all 735 BHF shops during October.

Debbie Dixon
BHF Regional Manager

Stop criticising police and PCC

SIR – I work for Bedfordshire Police and find it frustrating and totally unacceptable for others, especially Mr Ron Turvey, to make both the PCC and Bedfordshire Police the focus for constant criticism.

Working at Police HQ, Kempston, I see how hard officers and staff work and how committed they are to making Bedfordshire a safer place. Government cuts have meant huge reductions being made and resources are stretched to the limit. Bedfordshire Police are often criticised and painted in a bad light.

Perhaps these people who view them in such a negative manner, should see if they could do any better.

The nightmare of independence

AS I slept I dreamed a dream. I dreamed and saw many men and women clothed in rags. It is the year 2054, exactly 40 years since the world started to unravel, or at least the part in which I live. That fateful day it all began was September 18, 2014, when Scotland voted for independence.

At the time I was not over concerned and even had some sympathy. If only we could get rid of the Tories and the Monarchy for good so easily! Anyway would we not still be interdependent? But I had not counted on all the repercussions.

First it gave even more vent to the anti-Europeans. England for the English was the cry. At last an English Parliament where we could control our own costs and our own borders. Well we got that. Straight after the yes vote, Ireland asked that the Republic and Northern Ireland be united.

An old Northern Irish republican once told me that instead of fighting they should just be patient. 'We breed faster than the Proddies', he said, 'so we just need to wait, then we'll outnumber them and we can vote to join the Republic.' They did and they have. There is still a small enclave in east Belfast where the

Union Jack is flown. There's irony for you.

And where Scotland and Northern Ireland went, Wales was sure to follow. Of course this has led to similar unrest in Spain and Italy but their problems are not ours. So we really are little England full of little Englanders.

And we did not even have to vote to leave the EU.

With no power and ever growing debt we were just cast aside, a small territory on a small island, with one fifth living in luxury we cannot afford and the other four fifths in poverty we cannot alleviate. Our borders are not a problem because no-one wants to come here. The NHS and benefits system disappeared long ago, as did most of the decent jobs as the big companies relocated inside the EU. Most skilled people leave as soon as they are able and the main campuses for the Oxford and Cambridge colleges are now in

Heidelberg and Salamanca.

The best jobs are in service to the aristocracy, as the security and safety is better inside gated communities.

London had a referendum on whether to become a 'city-state', which was carried overwhelmingly, and it was subsequently allowed to rejoin the EU.

We are currently voting on a new capital, with Winchester or Bath favourite, although Clacton is getting strong support from the Conservative-EIP alliance.

Depending on the vote, the Cornish National Liberation Army may resume its insurgency for independence and the Cheviot militia is already asking to join Scotland.

Finally, after 600 years of trying, Germany is the dominant power in Europe. Their drones even drop us food parcels every week.

Then I awoke and realised it was all just a hideous nightmare. None of it could ever happen. Could it?

RECIPE FOR SUCCESS: The team at Master Chef takeaway

Takeaway is in the running for award

A LUTON takeaway has been nominated as a finalist once again by the National Curry Awards.

The takeaway, Master Chef, based in Hart Lane, is shortlisted for Takeaway of the Year for the Eastern Region, an honour which it won in last year's awards.

On the nomination, Suruk Miah, owner of the restaurant, said: "Since we won the award last year we have aimed to improve our food, I am very confident we will win again."

Call for care over parking at schools

BY NICK SMITH

nick.smith@lutononsunday.co.uk

WITH the start of a new school year, parents have been urged to consider where they park when dropping off their kids.

Bedfordshire Police have issued a reminder to parents to make sure they are not parked illegally, or in a dangerous manner when dropping children off at school.

Particular emphasis has been placed on leaving marked school entrances

free, to allow drivers, riders and pedestrians an unobstructed view of the road, to help avoid accidents.

Parents are also reminded not to park inconsiderately and in a way which will inconvenience residents, other road users or in a way that obstructs the road.

Chief Inspector Richard Hann of the Bedfordshire, Cambridgeshire and Hertfordshire Road Policing Unit, said: "We want parents and children to get to and from school safely. Parents

should be prepared to park a little further away from schools to avoid parking in places which will cause danger to children and to other road users."

"As the nights start drawing in, the risks posed by inconsiderate parking by the small minority greatly increase. The public should tell us about a parking problem and we will work with our partners to improve dangerous situations caused and we will carry out enforcement where necessary."

Time to recognise

The Luton's Best awards are back and you can now nominate a deserving individual or organisation

THE countdown has begun to the fifth Luton's Best awards organised by Love Luton. Once again it will be honouring the outstanding achievements of many of Luton's individuals, groups and organisations.

These people are often unsung heroes who willingly give up their time to help others and contribute to our community.

The Luton's Best awards are a way to thank these people for their outstanding efforts.

Shortlisted nominees will be invited to the glittering awards evening at The Luton Hoo Hotel on Friday, November 28.

You can nominate via the web page www.loveluton.org.uk/lutonsbestawards and complete the online entry form or pick up a copy of the entry form from one of the public counters across Luton including the Town Hall, community centres and library. For more information telephone 01582 546265.

Here we take a look back at six of last year's categories and remember the winners and their achievements at the time.

■ Best Volunteer (sponsored by Signature Flight Support) Winner – Jean Butcher

"Jean was one of the longest serving volunteers at Age Concern Luton. Jean, who turned 80 last December marked her 20th year of volunteering. She is truly exceptional

lady who demonstrates that age is only a number. Every Friday without fail Jean attends the Friday club which she leads with absolute precision ensuring every member is fed, the cleaning up process and then the fun begins with Jean's quizzes and bingos enjoyed by all. Jean is determined to continue volunteering. She is a truly inspirational lady."

■ Best Fundraiser (sponsored by Basepoint Luton) Winner – Pauline Robb & Ruby Crowle

"Pauline and Ruby are local heroes. They are the driving force behind Cancer Research UK Luton's Relay for Life. They work tirelessly arranging fundraising events throughout the year. In 2012 they raised more than £75,000 and recently completed the Relay for Life last weekend. This annual event they organise not only raises money for charity but brings the whole community together. Pauline and Ruby recruited more than 550 volunteers to support the event. This is a shining example of how much they both

inspire and motivate people to get involved and raise money for charity."

■ Service with a Smile (sponsored by Arriva) Winner – New B's Baby Friendly Café

"New B's is an infant feeding café supporting parents from birth through to weaning. The café provides a relaxed environment that supports mothers feeding choices, giving them confidence to breastfeed and an opportunity to make friends. It is supported by local children's centres, midwives and health visitors. The enthusiasm and commitment from the staff has ensured that families feel comfortable and welcome and is the reason it has been so successful."

■ Young Achiever (sponsored by Barnfield Federation) Winner – Matthew Hall

Cloudy2Clear Windows – Service With A Smile!

It's been a crazy few months for Cloudy2Clear Windows. The company which specialises in repairing windows which are steamed up, broken or damaged by replacing the panes – not the frames has grown rapidly as homeowners take advantage of their services.

Managing Director Tom Bliss feels that it's all about service. 'Our product is simple. If your double glazing is misted up we can replace the glass at a fraction of the cost of a new window, in any type of frame, and with a new 10 year guarantee. But it's not just about saving people money, although that obviously helps. Many

tradespeople have struggled since last year and I honestly feel that during the good times a minority perhaps didn't focus on customer care as much as they should have done. We make sure we turn up when we say we will, do the job the customer requires and leave their house as clean as a whistle. I often get comments back from customers on how they really didn't expect that sort of service which, in a way, is very sad for the service industry as a whole.'

Cloudy2Clear service the Luton, Dunstable and Stevenage areas and Tom is finding that his approach is a major factor in his success.

'The truth is that it's not just the personal satisfaction that I get from doing a good job but also it makes good business sense. I get a huge amount of business from friends and family of people I've done work for, which just goes to

show how much a little bit of effort is appreciated.'

So, if your windows are steamed up, broken or damaged give Tom a call for a free quotation on 0800 61 21 118 and he'll be happy to help!

Four arrested in police raid on flats

BY NICK SMITH

nick.smith@lutononsunday.co.uk

AN EARLY morning raid on flats in Luton resulted in four men being arrested this week.

The raid took place on two flats in Burr Court, High Town Road at 9am on Wednesday after concerns were raised by members of the public to the police.

Members of the Local Policing Team, led by Inspector Mo Aziz, were joined by the Serious Crime Investigation Unit and Beds, Herts and Cambs Dog Unit to carry out the raid.

Substances believed to be cannabis and cocaine were found at the properties, resulting in three 50-year-old men and one 41-year-old man

Officers outside the property

being arrested on suspicion of possessing class A and class B drugs with intent to supply.

The men are currently being questioned by officers.

Sergeant Pauline Leng, from the Local Policing Team, said: "The success of this operation shows what we can achieve when the community and police work together."

"With the information and evidence provided we have been able to apply and carry out a closure notice under section 1 of the Anti-Social Behaviour Act, which was granted by Magistrates this morning, and means the premises will now be closed to all people for a period of three months."

If you have information about illegal drugs activities in your area you can contact Bedfordshire Police, in confidence, on 101.

Charge against ex-soccer star dropped

FORMER Luton, Chelsea and England player Kerry Dixon had a drugs charge against him dropped on Tuesday.

Mr Dixon, 52, was arrested in May of this year and charged with possessing cocaine after police had gone to an address

in Jardine Way, Dunstable, where they had arrested Mr Dixon and a woman.

But when he made his first appearance at Luton Crown Court on Tuesday in connection with the matter, he was told the prosecution was dropping

the case against him. He had denied the charge.

Anne Evans for the Crown told Judge Stuart Bridge that the woman who had also been charged with possessing the cocaine had subsequently accepted responsibility for it.

UNDER CONTROL: Firefighters make the property safe

Property damaged by blaze in attic

A FIRE at a property in Wellington Street, Luton has left the top floor of the building badly damaged.

Three fire engines and the aerial platform were called at 5.29pm and when they arrived the roof of the three storey property was on fire.

Six firefighters tackled the blaze, which was under control by 7.52pm. The fire was in the attic, which made it difficult to get under control.

The top floor suffered fire damage and smoke damage as a result of the fire.

Waller Avenue to close for repairs

BY NICK SMITH

nick.smith@lutononsunday.co.uk

A SECTION of Waller Avenue in Luton will be closed for two weeks for essential maintenance.

It will be closed 24 hours a day between the Beechwood Road and Dunstable Road junctions from tomorrow (Mon) while the road is excavated and then resurfaced.

There will be no access to this area of the road throughout this time, apart from to the Chiltern Hotel and the

branch of Tyre City.

In order to complete the works as quickly as possible, contractors are anticipated to be on site seven days a week. Hours of works will be from 7.30am-6pm Monday to Friday, from 8.30am-6pm Saturday, and from 9.30am-5pm Sunday.

A signed diversion will be in operation via Oakley Road, Beechwood Road and Waller Avenue.

Cllr Dave Taylor, Portfolio Holder for Environment, said: "Although it is not possible to

work throughout the night in this residential area, by working during the weekends we have been able to schedule the reopening of Waller Avenue for Monday September 29.

"Resurfacing is essential to ensure that Luton's roads are kept in good condition for drivers. We always do everything we can to ensure that we keep disruption to an absolute minimum while they are being carried out but do apologise for any inconvenience caused."

Velocity scores a

BY KATIE NERTNEY

editor@lutononsunday.co.uk

JUST like negotiating a mini roundabout or anticipating the changing lights, swerving round that pothole becomes part of the daily commute.

And as motorists know, the roads of Central Bedfordshire can become somewhat of a gauntlet.

But Central Bedfordshire Council has a new ally in its quest to repair the county's most threadbare highways.

The Velocity Patcher is the latest bit of kit to hit our streets, and I joined the team to witness the machine in action. The filling-in process is very simple: a nozzle, attached to the lorry, blows debris from the hole using a high-powered air stream.

A cool bitumen mixture is then blasted into the crevice to seal the pit.

In the final stage, another solution is sprayed across the surface to ensure an even, level finish.

On this Central Beds back road, the job was finished in a matter of minutes.

"The Velocity Patcher is very different to any technique we've used before, because we don't have to

close the road - which costs the council up to £1,000," explains Martin Freeman, customer service manager at Central Bedfordshire Highways.

Indeed, the lorry is able to pull to the verge right away to let a van driver past, who has only had to wait as long as it has taken him to eat half of his bacon sandwich.

"In the past, it might have

taken a team a whole day to fix this small section," Martin adds.

In fact the speedy technique has helped the team fix more than 1,200 potholes in the county. The method is more eco-friendly too, as material doesn't need to be heated before it is used.

The machine can mend up to 150 potholes per day, and will be serving the area over

Everyone must fight for our NHS service

IT WAS great to host the People's March for the NHS who visited Luton last week.

It is part of an on-going campaign to save our NHS from the damage being done by this Tory Lib Dem government. We have all seen the damage they have done by squandering precious resources on a massive top-down re-organisation instead of focusing on health and care. Mental health services have seen their funding squeezed affecting some of the most vulnerable people.

Under the Tories it's got harder to see a GP. More people have to wait over 48 hours for an appointment, and over a quarter say they can't get one in the same week. That's bad news for families and puts huge strain on the A&E department. Longer, agonising waits for treatment put lives at risk. It reaffirms that you cannot trust the Tories with the NHS. The next Labour government will guarantee a GP appointment within 48 hours – and on the same day for those who need it.

As someone who has needed NHS support and care most of my life, I know how important it is that it remains free when you need it and we must all fight together to

Councillor Hazel Simmons, the leader of Luton Borough Council, explains why it is vital to ensure free NHS treatment in the future

ensure that principle for future generations. These marchers have taken time out of their lives to follow the same route as the Jarrow Marchers in 1936 who were fighting for jobs. The march from the North East went through Yorkshire, the Midlands and south to London.

The NHS march was important and I was proud to see them off from Luton to St Albans. The march concluded in Trafalgar Square – well done all.

In Britain today we face rising inequality, a cost-of-living crisis for many, and an economy that only works for the few. The link between the wealth of our nation as a whole and the lives of British families has been broken. The Tories and Lib Dems claim families in Britain are better off. The opposite is true. Hard-working people

across Luton are £1600 worse off under David Cameron.

People are struggling with rising prices, stagnant wages and zero hour contracts. This government puts the needs of the privileged few before the hard working majority. That's why David Cameron offers tax breaks for those earning over £150,000 and allows energy companies to put prices up again this year when people are already struggling.

Labour will freeze gas and electricity bills until 2017, and reform the energy market.

Labour will also expand apprenticeships and ban the zero hour contracts. This is part of their plans to deal with the cost-of-living crisis and make the big long term challenges we need so that hard-working people are better off.

'This is not cabaret. If it ever felt like that then I would hang up my guitar!'

LIVE MUSIC

From The Jam
UK Carnival Arts Centre
September 26

"WE ARE not just going through the motions. This is not cabaret. If it ever felt like that I would hang up my guitar!"

Bruce Foxton, former bass player with legendary pop band The Jam is talking passionately about his current group From The Jam.

As the name implies this trio is a tribute – if that's the right word – to The Jam who he fronted with Paul Weller, in the late 70s and early 80s.

They enjoyed a succession of hits including 'Going Underground', 'Down In The Tube Station At Midnight', 'That's Entertainment' and 'Town Called Malice'.

Bruce says: "I am very proud to be up there and still able to play those songs and give it as much energy and professionalism as we did all those years ago."

"We are doing the songs justice, we are not just going through the motions. Those songs still really excite me, that's why I move around the stage like an idiot!"

"If the band feel that like and the audience do to, then that is the perfect combination."

From The Jam have played to packed and enthusiastic audiences around the country and will shortly bring their Setting Sons show to Luton. They will play The Jam's entire Setting Sons album which was released in 1979 and features their first Top 10 single Eton Rifles. The set will also include a selection of other hits.

"The songs do sound contemporary still, almost as fresh as the day they were recorded," says Bruce, 59.

"That is a compliment to the quality of the song writing and the playing I suppose. Sounds a bit conceited that but I've said it anyway!"

After The Jam split in 1982 Paul Weller went on to success with The Style Council and as a solo artist

while Bruce played with punk group Stiff Little Fingers. He appeared on Weller's Wake Up The Nation album in 2010 and Weller guested on Foxton's Back In The Room album two years later.

So the question is will it ever go further and lead to a full reunion of The Jam. Apparently not.

"A full blown Jam reunion is not

going to happen," says Bruce.

"I think Rick (Buckler, The Jam's original drummer) has hung up his sticks now and I'm happy with what I'm doing and Paul's happy with what he is doing."

Bruce is planning a new solo album in 2015 and says it is possible Weller could appear on that and 'maybe at some point I'll get to play on one of

his albums or singles'.

In the meantime you can enjoy Bruce Foxton, along with lead singer Russell Hastings and drummer Steve 'Smiley' Barnard, reviving the sounds of The Jam at the UK Centre for Carnival Arts on September 26.

Tickets are £20 in advance from seetickets.com, Vinyl Revelations in Cardigan Street or the UKCCA.

Floyd tribute at the Grove

LIVE MUSIC

Think Floyd
Grove Theatre, Dunstable
 Thursday, October 2
 £20

ONE OF the world's finest Pink Floyd tribute acts is coming to Dunstable.

Think Floyd, will play the Grove Theatre as part of their UK autumn tour.

Earlier this year, the band toured the UK to widespread critical acclaim and are now hitting the road again to mark their 20th year.

The new production for the milestone anniversary covers their entire catalogue of Pink Floyd's lifespan, from the early years with Syd Barrett, through Dark Side of the Moon and Wish You Were Here up until The Division Bell.

The band's line up has slowly evolved over time, since the first evening when a group of semi-pro pub musicians played the classic 'Comfortably Numb' by request at a bar in London.

It is currently made up of Lewis Hall on bass, Richard

Morse on guitar, Steven Farmer on drums and Kirk McLeod on keyboards.

'Comfortably Numb' soon became a popular encore after it was first played and laid the foundations for the band as it is today.

Soon they became hosts of a regular club night themed around the band and eventually caught the attention of a theatre promoter who turned the band into what it is today.

Think Floyd were also key in setting up Greece's Rock in Rhodes festival.

The talented group of musicians have successful recreated, both visually and musically, one of the most loved and celebrated bands in the history of rock music.

Alongside recreating the music with great skill and expertise, they also employ a stunning light show to the full magnitude of an original performance by Pink Floyd.

It is a rare chance to see one of the world's premier Pink Floyd Tribute bands when they come to Dunstable early next month.

Tickets are available from <https://www.grovetheatre.co.uk>

HIGH, WIDE AND HANDSOME

Volkswagen's Touareg range is now powered exclusively by 3.0-litre diesel engines available in either 204 or 262PS outputs. The styling has been facelifted and you now get even more gear for your money. There's an off-road oriented Escape version on offer and prices are now on a par with the pricier compact SUVs.

The Touareg engine range has been rationalised and it's now far easier to understand. There are two engines to choose from and they're both economical 3.0-litre turbo diesels. One makes 204PS and the other a gutsier 262PS, both driving all four wheels via a brilliant eight-speed Aisin automatic gearbox. With this transmission top speed is reached in 6th gear, 7th and 8th essentially being used as overdrive gears to improve cruising economy.

That said, not all Touaregs are created equal, especially if you're planning to venture off road. For anything a bit Bear Grylls you might want to look to the Escape version which features the 4XMOTION off-road four-wheel drive system, with 50:50 torque split and centre and rear axle mechanical differential locks, higher off-road suspension, 18-inch 'Karakum' alloy wheels, 100-litre fuel tank (85 litres is standard on SE), and underbody protection.

The styling of the latest Touareg models definitely has some extra sparkle as a result of the most recent facelift. The styling hasn't been radically altered by the net effect is a sleeker, less macho look. The revised bumpers incorporate grilles with more slats than a Ferrari Testarossa and the revised alloy wheel designs are also a good deal showier than the utilitarian look of some of the older designs. A revised colour palette also features and the headlight units have been upgraded to incorporate bi-xenon lamps. The lack of a seven-seat option will continue to hinder the Touareg's appeal to family buyers but there's plenty of room for five adults to get comfortable and their luggage should fit in the extremely spacious boot.

The Touareg never feels less than well built and although the dash is a little overloaded with buttons, the controls are solid to the touch. The interior doesn't have the elegance of a Range Rover's or the slickness of Audi's Q7 but it certainly isn't put to shame in this illustrious company. Inside, the front seats now come with standard lumbar support, and there are two optional wood trims - 'Sapelli Mahogany' and 'Engineered Ebony', while the optional Nappa leather upholstery in the R-Line model is now available in two-tone Flint Grey and Titan Black.

MARK Cullen earned Luton Town their first win at Kenilworth Road since returning to the Football League with the only goal in a tight encounter against Cheltenham Town.

After Cullen had given the hosts an eighth-minute lead they survived a second-half onslaught to earn three points for the first time since the opening day.

Town boss John Still made four changes to his side that fell to a 1-0 defeat against Plymouth Argyle last weekend, bringing in Curtley Williams for his Hatters debut and giving Ross Lafayette his full debut up top.

Midfielder Jonathan Smith was also back in for his first start since suffering a broken leg on Boxing Day, while Luke Wilkinson returned at centre half as Luton switched to a 3-5-2 formation.

It seemed to work as they made an excellent start – Lafayette having an effort blocked after some lovely control, while Cullen's looping header was cleared off the line by Troy Brown with keeper Trevor Carson beaten.

Luton were then ahead when Scott Griffiths' cross from the left flank was nodded past Carson and into the net by Cullen.

A second almost followed in quick time when Luke Guttridge took the ball on after a quick throw but his effort was headed behind for a corner.

Cheltenham threatened occasionally in the first half, with John Marquis' close range shot blocked by Steve McNulty.

Visiting skipper Matt Taylor was cautioned for

bringing down Pelly Ruddock Mpanzu, before the Robins broke away and Craig Braham-Barrett fired wide of the mark from distance.

Cheltenham were close once more when Braham-Barrett found some space on the left flank and his dangerous cross was only just knocked past his own post by McNulty.

Lafayette responded for Luton with a low shot but it was blocked by a covering defender, while Guttridge wound up a good strike from 25 yards that flew off target.

Lacey then nodded wide from a corner, while Cheltenham grew stronger as the game wore on, with Joe Hanks' deflected shot going narrowly wide.

Hanks then swung over a corner that was palmed away by Tyler, before unleashing a free kick that went only narrowly over the top.

The midfielder also sent over another corner that was just missed by Marquis, with Luton not having many chances to add to their tally

Luton and Stockwood win but Dees beaten

RUGBY UNION

LUTON RFC continued their unbeaten start to the season with a 30-24 victory against Letchworth Garden City at Newlands this weekend, making it played two, drawn on, won one in London One North.

Rik Hobbs kicked Luton in front with an early penalty, only to see the visitors score a penalty of their own and a converted try to take a 10-3 lead.

Luton responded with a try of their own by way of Chris Thompson, converted by Hobbs, who also added a second penalty to send Luton in 13-12 ahead at the interval.

The second period saw Luton assert control, with Chris Davis scoring first, Tom Mahendren adding a second before Tesh Edwards added a third, converted by Hobbs, to achieve the four-try bonus point, and extend Luton's advantage

to 30-12. Letchworth rallied, with two late tries and a conversion to narrow the score to 30-24, which was how it finished.

Dunstablians travelled to newly promoted Stewarts & Lloyds in Midland 2 (East) yesterday and were beaten 29-19 on match-day one.

"We knew they had a big pack, and would get in our faces, and they did," said Dees Prop Simon George.

Dees were 17-0 down before Jack Newton registered the first points of Dees' season, converted by Kev Boland, who added a penalty to close the gap to 17-10 as the half-time whistle blew.

Three second-half penalties from Boland were in response to an early home try and reduced Stewart & Lloyds' advantage to 22-19, but in the closing stages the Dees were punished as they tried to win the game.

"We tried to stretch them, but we couldn't keep the ball in hand," said George. "We're disappointed, we're capable of better."

Dees face the other promoted side, Biggleswade,

next weekend at Bedford Road.

Stockwood Park played newly-promoted Long Buckby at London Road, winning 22-9 on an afternoon where the result was more important than the manner in which it was achieved.

"It was a typical scrappy season-opener," said Stockwood Park President John Humphries.

"It was played with a lot of commitment, plenty of effort, at times it was not pretty to watch but I think the result was a deserved one."

Steve Pollock put Stockwood Park ahead with a penalty to which Ben Griffen added an unconverted try, and with the visitors scoring three penalties, Park trailed 9-8. The score remained that was until the game was inside the final ten minutes.

It was left to James Hankey and Eddie Wiggins to score for Stockwood, with conversions added by Boland to secure the victory by a margin of 22-9.

Next weekend, Stockwood travel to Northampton Boys Brigade Old Boys.

Hatters' first home win

before the break – a Guttridge free kick their only real opportunity.

In the second half, Cheltenham brought on last season's leading scorer Byron Harrison for Steve Elliott and the visitors started brightly.

They could have levelled on more than one occasion too as first Marquis failed to make contact from a decent position and then Brown nodded off target from a corner.

Harrison then also missed a very presentable opportunity as he didn't get enough on a cross and when McNulty missed his clearance, Harrison had the ball taken off his toes by Tyler.

Arthur then beat Wilkinson with ease, as his delivery was cut out by Griffiths, while the attacker then fired wide from outside the box.

Still swapped Lacey for Jim Stevenson as the hosts went back to a 4-4-2 formation and the change almost brought with it another goal.

Stevenson turned in from close range but a very late offside flag quickly put an end to his celebrations.

Jason Taylor then shot wildly over from Braham-Barrett's

pass, while Guttridge sent an acrobatic volley wide from just outside the area.

Luton had another escape when Arthur lifted his cross over Tyler and Wilkinson was on hand to clear the danger.

Man-of-the-match Tyler then made a fine diving stop from Jason Taylor's shot, with Cullen's control the only thing stopping him from doubling his tally when put clean through.

Arthur shot wide again, while the Robins should have levelled when sub Omari Sterling-James poked straight at Tyler.

Cheltenham had further efforts though Marquis and Arthur, but Town replacement Andy Drury came close, as he was off target from close in.

Keeper Tyler had the final say though as he turned away Marquis' free kick and blocked from Arthur to see Luton cling on and enjoy a long overdue victory which lifts them to 18th in the table.

Still's men next travel to York City on Tuesday evening.

Luton Town – Tyler, Wilkinson, Lacey (Stevenson 55), McNulty, Ruddock, Mpanzu, Griffiths, Guttridge (Howells 71), Smith, Williams (Drury 77), Cullen, Lafayette. Unused: Wall, Rooney, Justham, Walker.

Dunstable Town and Barton Rovers face FA Cup replays

FOOTBALL

BY NICK SMITH

sport@lsmmedia.co.uk

BOTH of our sides who were in action in the FA Cup First Qualifying Round yesterday will be back on the pitch on Tuesday for replays after draws.

It was honours even for both Dunstable Town and Barton Rovers who will have to do it all again to earn a spot in the next round of the famous competition.

Dunstable netted twice in the first half of their tie, but they were pegged back by

Chesham United who earned a 2-2 draw and a home replay to leave the Blues frustrated.

Goals from Scott Davies and Lee Roache saw Dunstable take a 2-1 lead in at the break, but a second half effort saw Chesham equalise and force the replay.

An aberration from goalkeeper Kyle Forster denied Barton the chance to progress as Northwood scored a late equaliser which secured a 1-1 draw.

The only real pieces of action in the first 30 minutes involved Keshi Anderson having a few speculative efforts from distance.

Northwood had the chance to take the lead from the spot just before the break, but Dave

Lawrence missed the penalty meaning both sides went in deadlocked at 0-0 at the half.

Soon after the restart, Anderson picked out Bilal Hassan with a perfect through ball, but with the striker bearing down on goal he skied his shot over the bar.

Kevin Kilroy's shot from outside the box failed to test Danny McNicholas in the Northwood goal, but it sent warning signs as the ball just grazed the crossbar.

The breakthrough came in the 80th minute, when Anderson worked his way into a good position and fired a ball in across the box which was turned in by debutant Tony Burnett.

Barton looked a safe bet to progress, but a calamity from Forster gave Northwood the chance to take the tie to a replay.

Forster collected a back pass badly, allowing George Nicholas to poach the ball and roll it into an empty net with 86 minutes gone.

Both sides will travel away for their replays on Tuesday and will be in the hat for the draw tomorrow.

In the Spartan South Midlands Premier Division, AFC Dunstable battled to a fine 3-2 win away at Hillingdon Borough.

In Division Two, Totternhoe also enjoyed a victory on their travels – 2-0 at Tring Corinthians.

Hatters show resilience to clip the Robins' wings

HATTERS

BY HARRY JOHNSON
sport@lsmmedia.co.uk

LUTON Town boss John Still insists his side are proving to be just as resilient at their time of need this season as they were the last, something he is confident will continue to translate into success.

An early Mark Cullen strike gave the Hatters a dream start against Cheltenham Town yesterday and although the Robins threatened to respond, Still's men stood up to the challenge and were 1-0 winners.

The win was Luton's first at Kenilworth Road since returning to the Football League after five years and just their second of the season after their opening day League Two success at Carlisle.

But Still believes he has seen enough in the opening weeks to know his

team are playing well enough to be more than competitive in this league.

"We found the way that we played in the first half was really good, and in the second half, the word we had to come up with was resilience," said Still.

"We had it last year, maybe not that much, but we certainly had to have it in places like Macclesfield and here against Lincoln and Halifax and that's all part of it.

"To have that and know it is in your team, it can get you over difficult times.

"We've played some great football here this season and I think we've played some terrific football against Wimbledon and Plymouth, and got a point against Accrington which is always a tough place to go.

"Eventually things turned last year and they will this year if we keep doing that."

After Cullen had struck

in the eighth minute, goalkeeper Mark Tyler was called into action on a number of occasions to see the result through to the final whistle.

Substitute Jim Stevenson also saw an effort disallowed, which would have eased the tension, but Still admits a gutsy team performance was well rewarded.

"I think if Jim's goal counts we can push on, but they were pushing people on and got lots of balls in our box and I thought we defended it really well," he added.

"Their form has been good and for us to come out of that with a win and clean sheet reminded me of Luton and what we are about.

"Tyler [Mark Tyler] has done well, but I think the thing that we had was that resilience which I think was vital."
